HOW TO USE THE UCD COURSE SEARCH ENGINE

2. Pick a category (for example Arts & Humanities), subject (for example Languages, Cultures and Linguistics) and the levels (years) you would like to take the modules in – please bear in mind that level 4 subjects in Arts & Humanities and Social Sciences are at Masters level and not available to undergraduate students. Click on the SEARCH button.
3. You can now search in 3 different ways: by subject (which is what you have done), by school or by a keyword (subject title or code).

4. Click on the subject of your choice to see more information about it such as when it is offered and what you will learn – simply click on the blue tabs to find out more.
